SHIA QUMS (KHUMS) CALCULATOR

Your Qums, worked out in one minute.

Add what you hold on your Qums date, take away what is exempt, and see the 20% with Sahm e Imam and Sahm e Sadat split for you.

QUMS PAYABLE

₹72,000 20%

Sahm e Imam	Sahm e Sadat
₹36,000	₹36,000

Total you hold	₹6,10,000
Taken away	– ₹2,50,000
Surplus liable	₹3,60,000

HOW IT WORKS Three steps, no maths

01
Pick your date
Choose your yearly Qums date, your currency and the marja you follow.

02
Add what you hold
Cash, bank balance, investments, unworn gold, money lent and unused stock.

03
Take away the exempt
Savings already paid on, inheritance and mahr. Loans and debts are not deducted.

SAMPLE Ali's Qums in rupees

Cash and bank savings	₹3,70,000
Mutual funds from salary	₹1,50,000
Gold coins, not worn	₹60,000
Money lent and unused groceries	₹30,000
Total he holds	**₹6,10,000**
	TAKE AWAY
Savings he paid Qums on last year	– ₹2,00,000
Inheritance, unspent	– ₹50,000
Surplus liable to Qums	**₹3,60,000**
Qums payable, 20%	**₹72,000**

Home, car and jewellery in use are not counted. Loans and debts are never deducted. A Khamenei follower removes a ₹30,000 gift and pays ₹66,000.

RULINGS What sistani.org says

One fifth of what you gain
The Quran sets one fifth of gains as Qums.
Surah al Anfal 8:41

Profit and gifts are liable
Mahr, diya and most inheritance are not.
Rules of Worship, Issue 152

Deduct a year's living costs
Family expenses and business costs come off first.
Rules of Worship, Issue 153

Unused items count
Things bought this year and unused count at today's value.
Rules of Worship, Issue 156

Two equal shares
Sahm e Imam goes to the marja. Sahm e Sadat goes to poor Sayyids.
